SERVICE METHODS IN CIVIL PROCEDURES WITH SPECIAL REFERENCE TO ELECTRONIC SERVICE

***Summary:** The authors deal with the service methods regulated by the Code of Civil Procedure of the Federation of Bosnia and Herzegovina. The paper discusses service methods, the service of documents through an authorized legal entity or authorized judicial officers, proxies and representatives for receiving documents and the services by the parties. The Regulations of the European Union - EC Regulation 1393/2007 on the service in the Member States of judicial and extrajudicial documents in civil or commercial matters and the revised Regulation (EU) 2020/1784 of the European parliament and of the Council on the service of documents will be analysed. An overview of the Code of Civil Proceedings in Croatia is given, with an emphasis on electronic service. The paper opens de lege ferenda issues of regulating the provisions on electronic service in the Code of Civil Procedure of the Federation of Bosnia and Herzegovina.*
